Ethics Guidelines for City Committee/Boards

(Please check if you agree)

Yes, if appointed or re-appointed, I pledge to comply with the following ethics guidelines for boards as adopted by the city.

Members of boards shall not discuss, advocate, or vote on any matters in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. Any member who violates this provision may be subject to removal from the board.

If the board believes he/she has a conflict of interest, then the member should ask the board to be excused from voting. The board should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the board establishes a conflict of interest, then the board member shall remove themselves from the voting area.
